

Dear olive tree sponsor,

A sponsorship costs 40 € per year, per tree. This money is used to regularly prune and maintain the old trees and plant new ones. With your sponsorship you make a valuable contribution to preserving this ancient cultural landscape.

You can of course sponsor more than one tree.

Olive tree sponsors receive a 20% discount on buying our olive oil as well as 20% off when renting a wooden holiday cabin in the olive.

Each tree carries a sign with the name the sponsor wants to give it.

I would like my tree(s) to be called:

To avoid bureaucracy, the sponsorship fee will be booked from you account each October before the olive harvest. Each sponsor then receives a donation receipt.

If you would like to become a tree sponsor please fill out the form below and send it to:
